

We want everyone to have a fantastic, happy and safe Christmas. Our Junior Road safety competition this term is all about decorating a traffic cone in the style of a Christmas tree! We want you to include important messages about staying safe near the roads. Just like our Christmas trees we need to be bright to be seen so use your imagination and see what you can come up with! Prizes for the best entries!

**Winners will be chosen on Christmas jumper day
which is Friday 13th of December!**

Stay safe for Santa
