

# Eco Team—Audit of energy use

Room Name: \_\_\_\_\_

Auditors Name: \_\_\_\_\_

Date: \_\_\_\_\_

	Are there any lights on when they are not needed?	
	Are any projectors or the whiteboard left on which are not being used?	
	Are any computers left on which are not being used?	
	Are there any windows or outside doors open when the heating is on?	
	Are any of the heaters or radiators covered by furniture?	
	Is any other equipment left on when not in use?	

# Eco Team—Classroom Check-

Room Name: \_\_\_\_\_

Auditors Name: \_\_\_\_\_

Date: \_\_\_\_\_

	Is the ECO charter up?	
	Is the litter policy displayed in the classroom?	
	Are there any taps left running in the classroom or cloakroom?	
	Is the re-cycling bin being used and in a good place for everyone to use?	
	Is the sign for the ECO character for the class displayed?	
	Is the walk to school poster up and being filled in?
