St. Anne's C.E. Primary School

Monday 16th October 2017

Dear Parents

On Friday 20th October our children will be getting involved in the WWF 'Wear it Wild' day and will participating in ECO activities including making and wearing some wild masks! This event is all about raising money and awareness of endangered animals worldwide and we are asking the children to bring in a donation of 20p – 10p will go towards supporting 'Rory' our very own adopted rhino and the other 10p will support the wider work of WWF.

If the children have any animal masks at home they are very welcome to bring them in and wear them during the afternoon activities!

Your support as always is very much appreciated.

Many thanks

Catherine Simpson
School Chaplain
