

Task A

Create your own Greek God or Goddess. Draw a picture of them and underneath, explain what their special abilities are.

Task B

List **at least 5** different ways you could help the environment.

Then write some examples to show what you have done to be eco-friendly.

Task C

Write a set of instructions on how to plant a seed and look after it.

Task D

Draw some pictures of different weather and add a phrase in Spanish to describe it.

eg. it is snowing= Esta nevando

Task E

Brainstorm all of the ways in which you should care for yourself and explain why each is important.

Task F

Bake a cake or make some biscuits with help from an adult!
Weigh out and measure each ingredient carefully and make note of it.

Can you write it in grams and kilograms?
Millilitres and litres?
Remember 1000g = 1kg
Remember 1000ml = 1L

Task G

Draw and design (or sculpt) a Greek shield.

Task H

Research and find out about any Hindu God. Design a fact-file poster all about them!

Task I

Look in your cupboard and write down 3 things that have been bought.

- Work out the total amount it would cost.
- Now do the same again with 3 different items.
- Work out the difference between your two totals.

Task J

Design an item of Greek clothing. Then create a poster to **advertise** it.

Task K

Design a piece of art work inspired by local artist: Norman Cornish

Task L

Plant a seed in a pot at home or your garden. Look after it carefully and watch as it grows.

Make notes of your observations and include diagrams.

<p>Trace a map of your country and mark on the main cities, rivers/seas and hills</p> <p>Draw the flag of your chosen country</p>	<p>Find out about one country in Europe eg. France, Germany, Spain, Norway, The Netherlands, Switzerland etc</p> <p>Research facts, find pictures or make drawings and put together sections of information about each of the following in to a book</p> <p>(Here are some ideas for a Project on Britain http://projectbritain.com/)</p>	<p>Famous landmarks in that country</p> <ul style="list-style-type: none"> • Physical eg.rivers, mountains • Man-made eg. cathedrals, Eiffel tower 								
<p><u>The geography</u></p> <ul style="list-style-type: none"> • Location- where is it? • Size • Weather • Population- how many people • Regions • Capital city • Landscape- flat or beaches or lakes or mountains 	<h2 style="text-align: center;">Project Europe</h2> 	<p>Find a traditional story or myth that comes from that country</p> <p>Eg. The Pied Piper from Germany</p> <p>Tell the story in 8 parts with pictures</p> <table border="1" style="width: 100%; height: 100px;"> <tr> <td></td><td></td><td></td><td></td> </tr> <tr> <td></td><td></td><td></td><td></td> </tr> </table>								
<p><u>The Language</u></p> <p>Find out how to say some simple phrases- hello, goodbye, please, thank you, my name is</p> <p>Find out the numbers 1-10</p> <p><u>Schools</u></p> <p>Find out about the school day, what they learn etc</p>	<p><u>Famous people</u></p> <p>Find out about famous people from this country. It could be an artist, composer, sports person, singer etc</p> <p><u>Traditional Food</u></p> <p>What food is grown and usually eaten there? Draw pictures and describe the food. (You might even try some if you get the chance)</p>	<p><u>The capital city</u></p> <p>Find out more about the capital city (You could find some facts about other main cities)</p> <p><u>Special Traditions-</u> what do they celebrate and why?</p>
