

<p>Task A Look at the artists Pollock, Mondrian and Rothko. Draw/paint your own work in the style of one of these artists.</p> 	<p>Task B Look at the fashion through the ages from 1066 till now. What has changed, has anything stayed the same? Produce a poster/Powerpoint/article to show the changing fashion.</p> 	<p>Task C Research who invented electricity. Create a fact file about this person.</p> 	<p>Task D What does being a superhero mean? If you could design your own Superhero what would they be like? What characteristics would they have?</p> 
<p>Task E Write a review about a book you have recently read. What was it about? Who was the main character/s? Give it marks out of ten and say whether you would recommend it to a friend.</p> 	<p>Task F Design and build an animal home. Think about what it would need to keep it safe and healthy.</p> 	<p>Task G Locate Bolivia on a map. Create a fact file about the country. Which continent is it in? What is the capital? What does the flag look like?</p> 	<p>Task H Write a short paragraph about how you are feeling about moving up to secondary school. You might be worried, curious, nervous or excited. Think about what you could do if you need help.</p> 
<p>Task I Draw a picture of someone you admire and underneath explain why you admire them so much.</p> 	<p>Task J Research a significant historical British landmark. This could be an important building or memorial. Tell me what it represents and why it is so significant to British identity.</p> 	<p>Task K What is your favourite animal? Make a poster to tell me what class it is in such as reptile, mammal etc. What is its habitat? What is its diet? What does it look like? Is it a predator?</p> 	<p>Task L Make a simple board game linked to maths. It could be all about times tables or it may be about time or money. It is your choice.</p>
