# Minds to learn, hearts to care.

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind." This is the first and greatest commandment.

And the second is like it: "Love your neighbour as yourself." *Matthew 22:37-39*

*Our school vision is to be the best version of ourselves  
that God created us to be - with minds to learn and hearts to care.*

Our values are the building blocks for strong foundations for lifelong learning and lifelong faith.

## Vision and Values

Our school vision is to be the best version of ourselves that God created us to be – with minds to learn and hearts to care.

**Who are we as a school? This is our deeply Christian vision which is firmly rooted in the bible.**

Jesus summed up his most important teaching by quoting the greatest commandment – love the Lord your God with all your heart, with all your soul with all your mind. And love your neighbour as yourself. (Matthew 22v37-39) At St Anne's our vision is for everyone who is part of our school community to live life to the full and to treat everyone with compassion and respect.

This vision shapes all we do and helps us understand who we are as a school, why we are here, and then how we live. Our values are the building blocks for strong foundations for lifelong learning and lifelong faith.

## **Why are we here? These are our values:**

### **Loving God with all of our heart**

We want everyone at St Anne's to be the best version of themselves. We believe this is about everyone being authentic, open and honest.

We are dedicated to continuous improvement, challenging ourselves, celebrating our successes and always aspiring to be "the best we can be".

To enable each child and adult to flourish and achieve.

### **Loving God with all our soul**

We want to nurture the spiritual life of everyone in our school family recognising that "spirituality is like a bird; if you hold it too tightly, it chokes; if you hold it too loosely, it flies away. Fundamental to spirituality is the absence of force." Rabbi Hugo Gryn

To promote our Christian ethos and values through lively, intelligent and creative participation.

To provide an inviting, inclusive school environment where all members of the school community, of all faiths or none, are valued, respected and care for one another.

To encourage and develop links between the school, home, our parishes and the local, national and global community.

### **Loving God with all our mind**

To provide a high quality and nurturing learning environment.

To be dedicated to continuous improvement, challenging ourselves, celebrating our successes and always aspiring to be "the best we can be".

To enable each child and adult to flourish and achieve.

**How then do we live? All of this shapes our school life.**

Daily collective worship is at the centre of school life and enables children to experience the diversity of Christian practice and tradition.

High quality, effective, academic religious education allows pupils and adults alike to flourish.

Throughout all our school life our Christian vision and values promote social and cultural development through the practice of forgiveness and reconciliation. They encourage good mental health and enable children and adults, whatever their background or ability, to flourish and live well together.

The vision is used to ensure our policies, curriculum and extracurricular opportunities meet the academic and spiritual needs of all learners.

We describe all our activities in terms of how the vision and values inspire our whole school community, children and adults, to engage in social action and to be courageous advocates for change in their local, national and global communities

Our Christian vision supports the character and moral development of all pupils and adults, giving them aspiration for themselves and hope for the communities of which they are a part. It fosters dignity and respect, enabling everyone to be the person God created them to be, to achieve the most they can, and to inspire hope for others in the local community and beyond.

### **St. Anne's CE Primary School**

**Date: January 2020**

We in St. Anne's CE Primary School are committed to equality. We aim for every pupil to fulfil their potential no matter what his/her background or personal circumstances.

We maintain the aim of embedding principles of fairness and equality across our entire curriculum, in assemblies and acts of collective worship, in break and lunchtimes, in pastoral support and in before and after school activities.

We must under the general duty of public sector equality duty, in the exercise of our functions, have due regard to the need to:

- ✓ Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Act.
- ✓ Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- ✓ Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

This will apply to all pupils, staff and others using the facilities. We will give relevant and proportionate consideration to the public sector equality duty. The protected characteristics for the schools provisions are:

- Disability
- Gender reassignment
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation
- Age (only applicable to staff, not pupils)
- Marriage and Civil Partnerships (only applicable to staff, not pupils)

Age and marriage and civil partnership are NOT protected characteristics for the schools provisions for pupils.

We will have **due regard** to advancing equality of opportunity including making serious consideration of the need to

- remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- take steps to meet the needs of persons who share a protected characteristics that are different from the needs of persons who do not share it;
- encourage persons who share a relevant protected characteristic to participate in public life or in any activity in which participation by such persons is disproportionately low.

We will take into account the six Brown principles of 'due regard'

- **awareness** – all staff know and understand what the law requires
- **timeliness** – implications considered before they are implemented
- **rigour** – open-minded and rigorous analysis, including parent/pupil voice
- **non-delegation** – the PSED cannot be delegated
- **continuous** – ongoing all academic year
- **record-keeping** – keep notes and records of decisions & meetings

We welcome the opportunity to be transparent and accountable. To this end we fulfil the specific duties of the Act by:

- ✓ publishing our equality information
- ✓ publishing our equality objectives

We aim to make the information accessible, easy to read and easy to find.

**We will update our equality information at least annually**

**We will update our equality objectives every four years and will publish progress on them annually.**

We adopt a whole school approach to equality and consider it important for pupils to learn about equality and human rights. We adhere to the Equality and Human Rights Commission (EHCR) statement:

*‘To reap the full benefits of equality and human rights education, it is essential to teach topics in an environment which respects the rights and differences of both students and teachers. Without an equality and human rights culture within the classroom and school as a whole, learning about these topics can at best appear irrelevant, and at worst, hypocritical. The respect and tolerance it teaches will help staff and students create a healthier, happier, fairer school culture, and could lead to reductions in bullying and other negative behaviour, and improvements in attainment and aspirations.*

Though the Act refers to ‘race’, the use of ethnic/ cultural origin, background or heritage is often more appropriate
